# HEALTH IS HIGHLY DEPENDENT ON ONE'S LIFESTYLE

## THINGS THAT HELP

Being physically active

good metabolism

Following a balanced diet

maintain healthy weight and normal gastrointestinal function

Getting enough sleep

calmer nerves and higher productivity levels

## THINGS THAT HURT

Not following a nutritious diet

metabolism and gastrointestinal functions are disrupted and you gain weight

Working from a seated position

varicose veins, body aches, joint pain

Regular stress

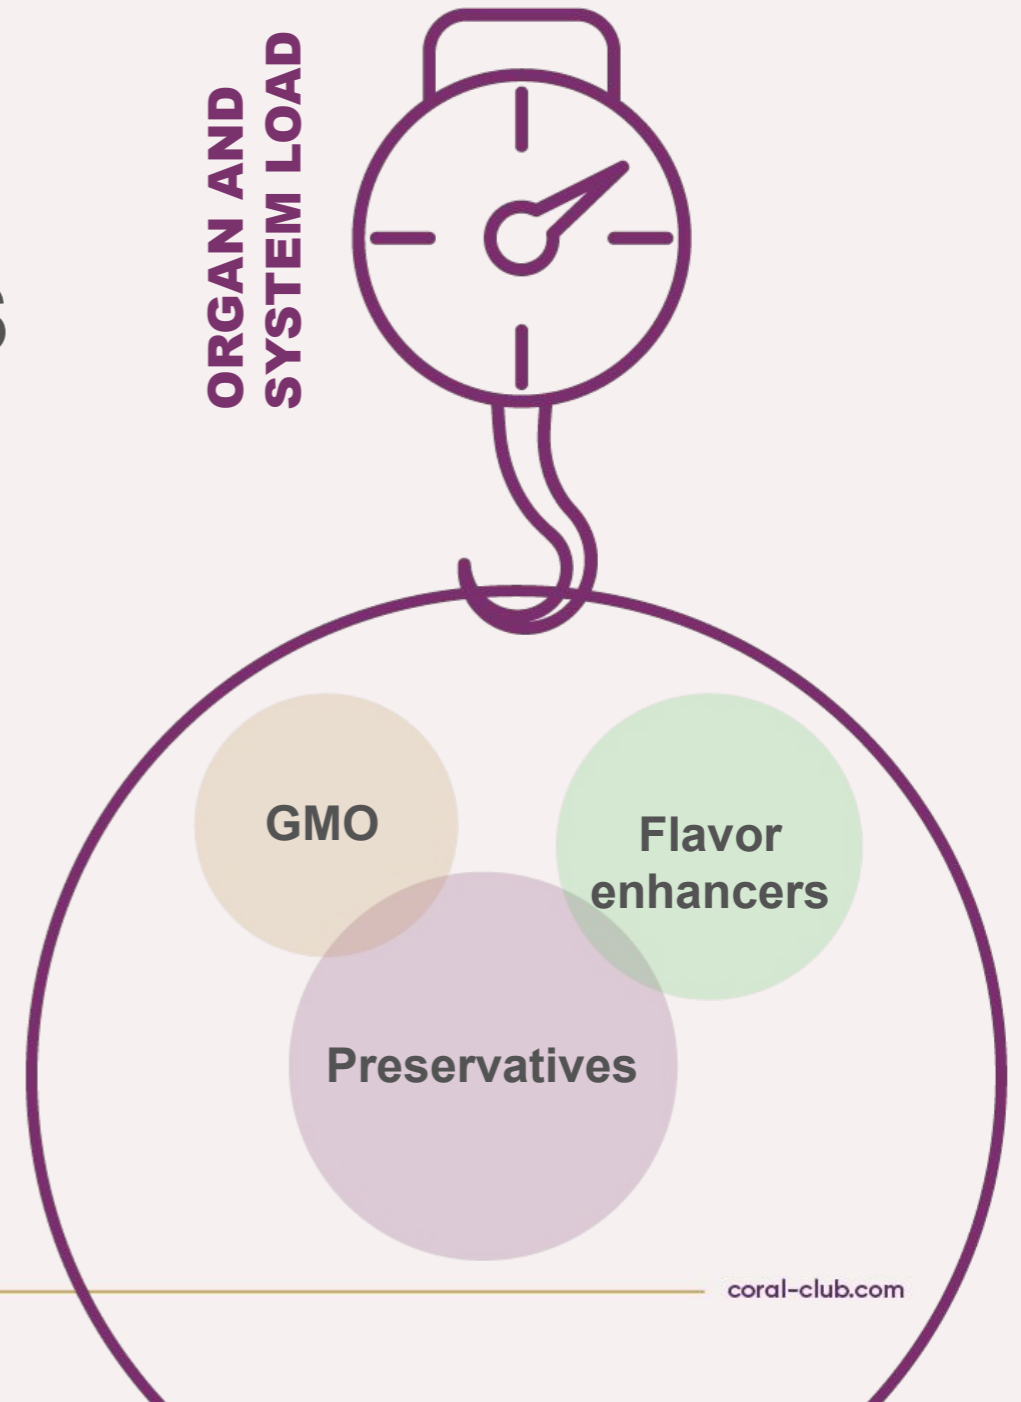

increased fatigue, decreased immunity

# THE MORE TOXINS AND HARMFUL SUBSTANCES WE CONSUME, THE HARDER IT IS ON OUR BODIES

TECHNOLOGY IS EVOLVING MUCH MUCH FASTER THAN THE HUMAN BODY IS ADAPTING

This leads to constant and excessive stress on the digestive system and filter organs.

# WE BOTH MAKE AND BREAK OUR OWN HABITS

**Working while seated**

**Being physically active**

**Regular stress**

**Enough sleep**

**Fast Food**

**Healthy snacks**

**Sugary drinks**

**Pure water**

# CONTROLLING OUR ENVIRONMENT IS MUCH HARDER THAN OUR HABITS

REGARDLESS OF OUR LIFESTYLE CHOICES, WE GET EXPOSED TO TOXINS AND HEAVY METALS

- unpurified water
- microbes and bacteria
- contaminated soil
- household cleaning products and cosmetics
- industrial waste
- exhaust fumes
- fruit and vegetable toxins and pesticides
- Preservatives, artificial colors and flavor enhancers are in most foods

# FILTER ORGANS PROTECT US

**KIDNEYS**

**Remove metabolism  
byproducts**

**LIVER**

**filters blood and neutralizes  
external toxins or those produced by  
metabolism**

**LYMPHATIC SYSTEM**

**involved in  
metabolism  
and the cleansing of  
cells and tissues**

# HOW OUR BODIES SEND US SIGNALS

## LIVER

- skin problems
- excessive fatigue
- irritability
- heartburn, nausea, vomiting
- allergies

## METABOLISM

- weight gain
- swelling
- excessive fatigue
- dry skin
- hair and nail problems
- headaches

## GASTROINTESTINAL TRACT

- problems with digestion
- reduced immunity
- irritability
- skin problems

## IMMUNITY

- frequent and prolonged acute respiratory infections
- exacerbation of chronic diseases
- higher susceptibility to infection

# HOW TO HELP:

## A HEALTHY LIFESTYLE

- avoid fast or junk foods
- get back onto a healthy diet plan
- set and follow a daily bedtime

## ADDITIONAL SUPPORT FOR YOUR BODY

- gently cleanse the intestinal tract
- improve the work of your filter organs
- support your body's immune system
